COLORADO YURTS

ADDITIONAL ORDERING & SHIPPING INFORMATION

If you filled out the other side of this sheet, we know what size yurt you want, what kind of door(s) you want, how many windows you want, and many other decisions you've made. Now, please complete the four items below.

1. FABRIC CHOICES:

WALL FABRIC (Circle fabric type and indicate color)		
COLOR: TUFF-STAR	COLOR: PRO-STAR	COLOR: PRO-TEC
ROOF FABRIC (Circle fabric type and indicate color)		
PRO-STRUCTURE COLOR:	DURO-LAST COLOR:	
VALANCE (All Valances are Pro-Tec. Please indicate color.)		

2. PLACEMENT OF WINDOWS, DOORS AND SKY PATH:

Indicate door & window placement based on a clock face.

◀ On the left circle, place the windows & any additional doors you ordered—your front door is already set at 6:00.

If you ordered a Sky Path, show the position of your front door relative to the Sky Path on the right circle. ▶

3. THE WAY YOU WANT YOUR DOORS TO OPEN

Doors open "right-hand, in" unless otherwise indicated.

Circle one:	IN	OUT
Circle one:	RIGHT HAND	LEFT HAND

Left

Right

4. THE DIAMETER OF YOUR STOVEPIPE OUTLET

STANDARD 9" DIA.	CUSTOM SIZE: _____
------------------	--------------------

- When we receive your order, we'll send a receipt with the details of your order. It'll include an approx. ship date and the balance due.
- Included with your receipt will be a yurt pitching guide and your warranty.
- When your order is complete, we'll call you to reconfirm your pickup or delivery plans.

Approximate shipping weights—to help you with planning. We can provide freight estimates, but cannot guarantee freight costs. If you have any questions about your order, call us at (800) 288-3190. We're always happy to help.

YURT DIAMETER	16'	20'	24'	27'	30'
